Faculty Information Exchange 2014-2015: Patenting: 101

Date	Location
Wednesday April 15, 2015 12:00pm to 1:00pm	UC103

Description

Led by Erin Skimson, Director, Catalyst Centre and Patricia Folkins, Registered Patent Agent and Partner with Bereskin & Parr LLP

Patricia Folkins, a registered Patent Agent in both Canada and the US, will provide an overview of the patent process by defining intellectual property (IP), discussing what to do if a researcher suspects s/he has created new IP, and reviewing types of patents and other IP protection. This seminar will address why researchers should care about patents, and the costs, timelines and benefits associated with patenting.

No reservation necessary.

All welcome!
