COURSE DESCRIPTION:

Course credit may be earned through participation in any one of the University of Guelph Choirs during Fall and Winter semesters. Through study and performance of selected choral music, students will develop an understanding of artistic creation through direct involvement in it. Rehearsals and performances build upon the students' accumulated knowledge of musical techniques and skills, while study of a given repertoire develops awareness of historical and stylistic trends in music and of the values associated with music-making throughout the world.

LEARNING OUTCOMES:

- *Aesthetic maturity and a sense of historical development of styles and genres of music
- *Communication skills through advanced musical literacy and increased vocal abilities
- *Understanding of specific musical forms through kinaesthetic experience
- *Global understanding through the rehearsal and performance of many world musics

METHOD OF EVALUATION:

Participation	25%
(Group responsibility, punctuality, rehearsal skills, dress rehearsals & concerts. Evaluated at every rehearsal and concert.)	
Proficiency	55%
(Individual security of part, blend and balance with ensemble, attention to detail - as determined by two individual tests IN WEEK 6 or 7 and DURING FINAL EXAMS)	
Written Work	10%

Leadership	10%
(Demonstration of leadership in this choir by acting as section leader, serving on the choir committee, helping with administrative tasks, providing publicity and promotion, helping with physical set-up, or by leading a warm-up in consultation with the Conductor)	

MATERIAL TO BE COVERED AND METHOD OF PRESENTATION:

Repertoire for the Choir is chosen by the conductor with consideration for the ability of the ensemble, overall balance, and variety. The ensemble holds weekly rehearsals and performs one or more concerts each semester. Students will be notified of any extra rehearsals that have been scheduled by the first day of class.
