

University of Guelph - Roles and Responsibilities of those involved in Research Award Administration

University of Guelph - Roles and Responsibilities of those involved in Research Award Administration

Purpose:

This document outlines the Roles and Responsibilities of those involved with Research Award Administration to ensure the funds are utilized for the designated purposes for which they are awarded and they comply with UofG and Sponsor policies and guidelines. This shared responsibility is distributed to several stakeholders, including (but not limited to) the following:

- Principal Investigator (PI)/Account holder
- Department Chair/School Director (and/or Campus Director for OAC)
- College Dean/ADR
- Research Services Office (RSO)
- Research Financial Services (RFS)

Note: Other stakeholders such as Project Managers, Research Managers, Research Facilitators, etc. may vary depending on your situation so these position titles have been excluded from the list above. Please review all Roles and Responsibilities noted for all identified stakeholders below and apply to your position as appropriate.

Stakeholder	Category	Roles and Responsibilities
Principal Investigator (PI)/ Account holder	Due Diligence	<ul style="list-style-type: none"> • Ensure that all expenditures comply with University and Sponsor procedures and guidelines. • For Tri-Agency awards (CIHR, CRCs, NSERC, NCEs, SSHRC), compliance with the Agreement on the Administration of Agency Awards by Research Institutions [1], as amended. • For Tri-Agency awards (CIHR, CRCs, NSERC, NCEs, SSHRC), expenditures are in compliance with the Tri-Agency Financial Administration Guide [2], as amended. • Ensure that individuals with delegated signing authority understand with University and sponsor requirements. • Submit all technical, scientific and/or progress reports by the prescribed deadlines as required by the sponsor. • The PI will obtain all approval(s)/certifications necessary to conduct research.
	Fiscal Responsibilities	<ul style="list-style-type: none"> • Exercise financial control over research awards, including the following: <ul style="list-style-type: none"> ◦ expenses are eligible according to the terms and conditions of the award, ◦ expenses are in accordance with the approved budget, ◦ expenses are necessary to the research endeavour being funded, and ◦ expenses have been incurred within the eligible dates of funding of the award. • Provide written authorization for all expenditures charged to their

Stakeholder	Category	Roles and Responsibilities
	Communication Responsibilities	<ul style="list-style-type: none"> projects. • Monitor and review all financial transactions, on a regular basis, to ensure that all charges are properly charged to their research projects and communicate any discrepancies to the department administrator and/or RFS. • Provide timely resolution of all deficits resulting from: <ul style="list-style-type: none"> ◦ over-expenditures, ◦ expenses deemed ineligible by the research sponsor, or ◦ failure to comply with the rules and regulations of the funding agency and/or University policies. • Ensure expenses are charged to the correct account. Request a new account set up if appropriate [3]. Provide supporting documentation to ORS for early account set ups. • Review and sign financial reports, in a timely fashion, as required by the research sponsor. • The PI understands and agrees to fulfill the reporting obligations and assume responsibility for all other obligations of the research agreement. • Authorize all travel claims and advances for student travellers that are for expenses relevant to the research being funded. If the PI is the travel agent, the claim is for a visiting researcher, the claim must be countersigned by the Department Chair or Dean. • If new construction, equipment installation or renovations are required, ensure that Resources policies and procedures have been followed and associated costs are covered. • Inform Sponsors and ORS in a timely manner, of any changes in employment status (e.g. maternity/parental leave, termination, resignation, sabbatical, receipt of Professor Emeritus, sabbatical, long term disability). • Notify RFS of any discrepancies with Account set up in FRS, ensure that account information is up to date. Most notable are the: <ul style="list-style-type: none"> ◦ Award Amount, ◦ Budget, ◦ Start Date, and ◦ End Date. • Notify ORS of any matching funds and provide information on source of funds, numbers, and work with ORS to set up matching accounts to include in the reference. • Notify ORS of any transfer of funds (non Tri-Council) to another department where appropriate agreements can be established. • Notify RFS of any transfer of funds (Tri-Council) so the Transfer of Funds Agreement can be established. • Contact ORS or Sponsor to request an extension on the term of funding. • Declare/Disclose any real or perceived conflict(s) of interest with funding agency, his/her Dean.

Stakeholder	Category	Roles and Responsibilities
Department Chair/ School Director (and/or Campus Director for OAC)	Due Diligence	<ul style="list-style-type: none"> • Ensure UofG policies and sponsor guidelines are followed when purchasing goods and services or authorizing expenditures to be charged to research accounts. • For Tri-Agency awards (CIHR, CRCs, NSERC, NCEs, SSHRC) ensure expenditures are in compliance with the Tri-Agency Financial Administration Guide [2], as amended. • Review and, where appropriate, approve researcher requests for account set ups.

Stakeholder	Category	Roles and Responsibilities
	Fiscal Responsibilities	<ul style="list-style-type: none"> • Address concerns/issues in a timely manner as brought forward by Researchers/Account Holders, Department Administrators, RFS regarding to specific research projects and/or Account holders. • Authorize travel claims and advances for PI's (including visiting Travel claims for PI's or visiting researchers must be signed by Department Chair or Dean to confirm the relevance of the travel being funded. • Ensure Travel and Expense claims are reviewed for: <ul style="list-style-type: none"> ◦ completeness, ◦ accuracy, ◦ eligibility, ◦ one-over-one approval (signed by someone in higher position than traveller for eg. Traveller is grantee then Dept. Chair or Dean sign), ◦ include the required supporting documentation as per University sponsor guidelines. • Ensure financial transactions charged to research accounts are: <ul style="list-style-type: none"> ◦ authorized in writing by the Researcher (or his/her approver) ◦ have appropriate supporting documentation. • Process salary appointment changes and correcting journal entries in a timely manner. • If the proposal includes the use of departmental resources, the charges and charges for use of personnel, equipment and facilities are included in the budget. • Review over expended projects with the Researcher and have them cleared and closed in a timely manner. • Work closely with respective Associate Dean of Research and Grant Administrator to ensure action is taken to resolve over-expenditures.
	Communication Responsibilities	<ul style="list-style-type: none"> • Inform their Dean/ADR, in a timely manner, of any changes in employment status (e.g. maternity/parental leave, termination, receipt of Adjunct receipt of Professor Emeritus, sabbatical, long term disability). • Provide ORS with confirmation of Researcher/Account Holder contact information for limited and adjunct appointments, e.g. start and end dates. • Notify RFS of any discrepancies with Account set up in FRS, ensure account information is up to date. Most notable are the: <ul style="list-style-type: none"> ◦ Award Amount, ◦ Budget, ◦ Start Date, and ◦ End Date.

Stakeholder	Category	Roles and Responsibilities
College Dean/ADR	Due Diligence	<ul style="list-style-type: none"> • Any conflict of interest disclosed by the PI has been managed. • The Dean/ADR is willing to work with the Department Chair/School Chair necessary to resolve issue(s) with respect to administrative, financial and infrastructure support. • The Dean/ADR will notify ORS, in a timely manner, if there is a conflict of the PI.
