

Will the performance review process in the G.O.A.L. program be tied to pay or merit?

Published on Human Resources (<https://www.uoguelph.ca/hr>)

Will the performance review process in the G.O.A.L. program be tied to pay or merit?

With respect to the Professional and Managerial positions the salary pool committed to pay-for-performance will be distributed in accordance with the performance assessment and development results and the staff's position in the salary band. For all staff groups, performance assessment and development results function independent of compensation.
