8:47 AM

Hello Gausiya,

This email is to notify you that you have been enrolled in the following 'Environmental Health and Safety' event, with the status 'Registered':

EHS Biosafety - Refresher

Available until : Saturday, December 31, 2022, 11:45 PM

Location: Online training

Access to the EHS Biosafety Refresher training will appear on CourseLink main page - "My Home" in the "My Courses" pane under "Resources" after January 1, 2022.

Please login with your University of Guelph Central login account at the following link:

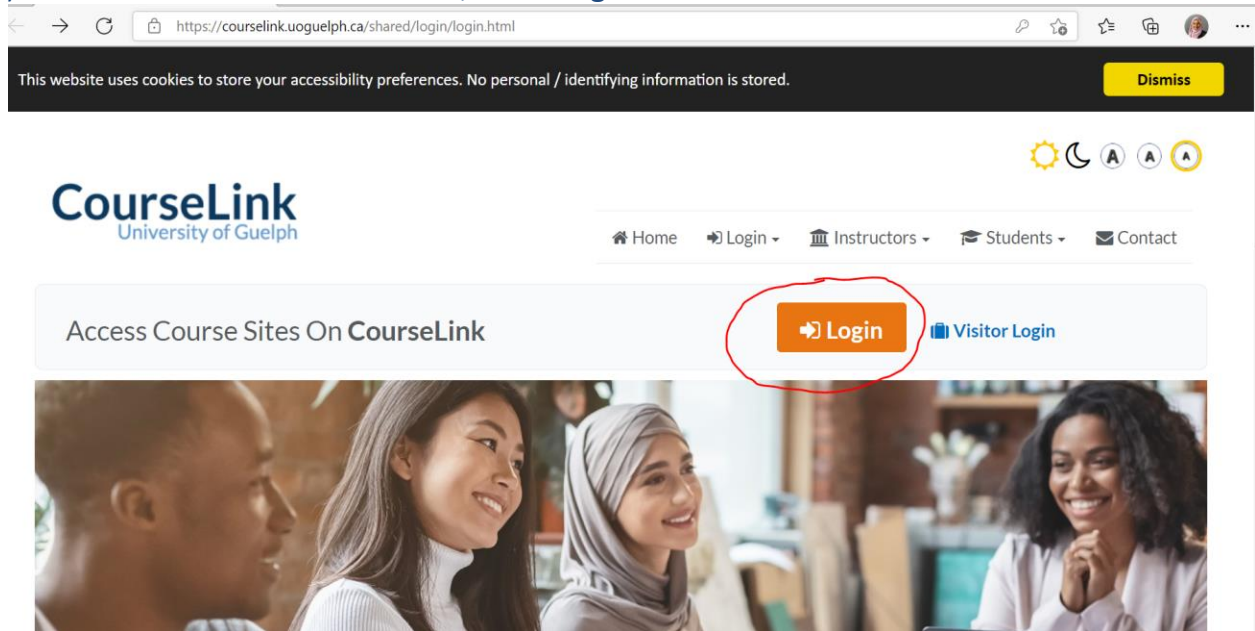

<https://courselink.uoguelph.ca/shared/login/login.html>

Access the quiz by selecting "Quizzes" in the navigation bar. Once you have successfully completed, an award will be emailed to you.

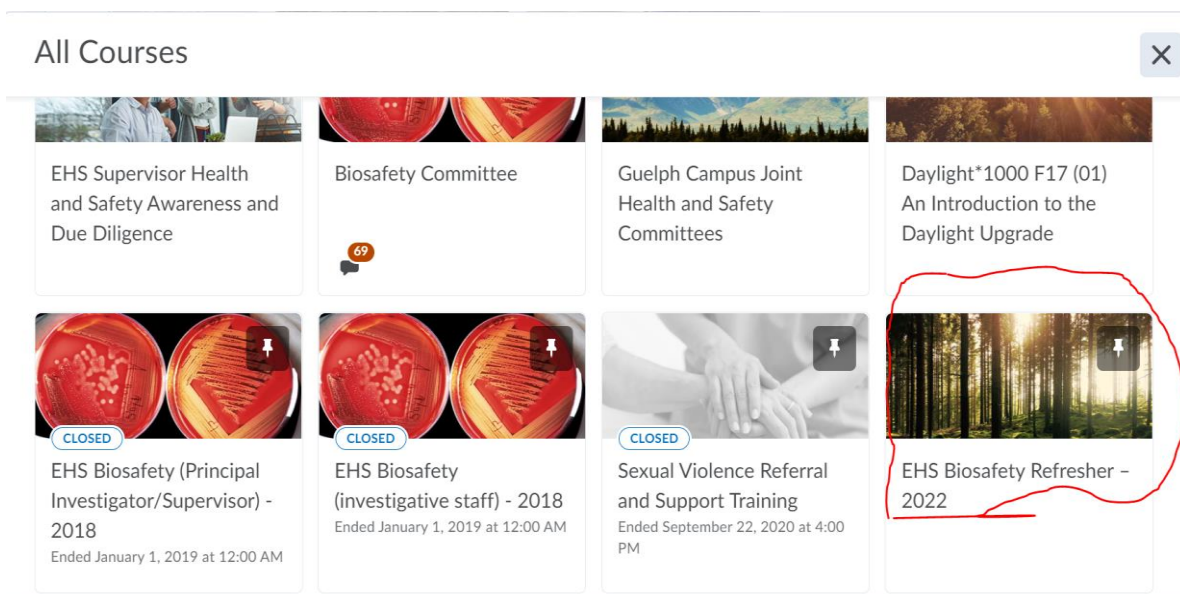

B) Access Biosafety Course (info will be received in the register course email to follow the steps as listed below)

Once you register, to access the course follow these steps:

- 1) Click <https://courselink.uoguelph.ca/shared/login/login.html>
- 2) You will see the screen as below, select **Login** button

- 3) Login with your login details
- 4) You would see the screen “**My Courses**” as snip below, select “EHS Biosafety Refresher – 2022”

- 5) Upon selection, you will see the Announcement Welcome screen, select **“Content”** in the navigation bar as below to complete the training.

As a user of biohazards, you must participate in the University's Biosafety training. Following the initial Biosafety training requirements, one refresher training is permitted after 3 years. This is the Biosafety Refresher training.

To complete this training, review the module located under "Content" in the navigation bar. After reviewing the module, access the quiz by selecting "Quizzes" in the navigation bar. Completion of the quiz with a grade of at least 75% or greater, will mark completion of this training. You will then receive an email confirming your completion of this training that is to be maintained for record keeping purposes.

- 6) After reviewing the module, access the quiz by selecting **“Quizzes”** in the navigation bar.

Library

Note: a new Ares imported each ser is offered.

- 7) Completion of the quiz with a grade of at least 75% or greater, will mark completion of this training.
- 8) You will then receive an email confirming your completion of this training that is to be maintained for record keeping purposes.
- 9) Once you have completed the training you are also encouraged to provide your feedback via the Course Evaluation survey located under "Survey" in the navigation bar.

FAQ:

- **I cannot access the online registered training course**

If registered and cannot access, log out and log back in your Course link account, and you should see the courses there. If you are still unable to spot them, the button at the top with the 9 squares has a drop-down menu to the link for "search all courses" and you will see it under there. Please reach out ehs@uoguelph.ca if you are still unable to access them.

- **I cannot access past registered course**

All EHS courses close on Dec 31 of each year and trainees no longer have access to them in the following year. If the course is incomplete, you will need to re-register and complete the course from the beginning.

- **I cannot print training certificate**

There is no certificate for this course. You will earn an award/badge as shown below upon quiz completion with a grade of at least 75% or greater.
