[NSERC - SAP Discovery Grants](#)

9 years 9 months ago

Funding Opportunities and Sponsor News

There are three types of SAP Discovery Grants: Individual, Team and Project. The SAP Discovery Grants Program supports on-going programs of research (with long-term goals) rather than short-term goals or a collection of unrelated projects. These grants recognize the creativity and innovation...

[NSERC Promoscience Grants](#) 9 years 9 months ago

Funding Opportunities and Sponsor News

NSERC's PromoScience Program offers financial support for organizations working with young Canadians to promote an understanding of science and engineering (including mathematics and technology). Through PromoScience, NSERC may award up to \$2.75 million each year. Organizations may request funds...

[NSERC - Awards for Science Promotion](#) 9 years 9 months ago

Funding Opportunities and Sponsor News

NSERC awards for Science Promotion focus on people and groups that are inspirational in the way that they promote science to the general public, and are an opportunity for Canada's science community to recognize, support and encourage outstanding science promoters. Anyone with direct knowledge...

What is Research Alerts?

Research Alerts is a communications technology that allows UoG faculty, staff and students to stay up to date on news from the Office of Research. Through Research Alerts, subscribers receive emails related to research funding opportunities, workshops and events, policies and more. Each subscriber sets individual preferences to indicate the topics and categories of information that are of interest to them. When a message (Alert) is published in the Office of

Information and Communications Technology

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

Research that matches the subscriber's selected preference categories and topics, it is e-mailed directly to the subscriber. Because this is a web-based technology, the Research Alerts site can also be searched using the search fields, or browsed through the topics by category.
