

## **CIHR – Operating Grant: Industry-Partnered Collaborative Research**

### **Sponsor**

CIHR

### **For More Information**

please go to the [sponsor](#) [1] website.

### **Description**

The Industry-Partnered Collaborative Research Operating Grant program provides funding for collaborative research projects involving the academic community and Canadian industry partners sharing an interest in health R&D. The research planned should be beneficial to both parties, while improving the quality of health of Canadians. Projects may be initiated by either party; however, the academic researcher is responsible for applying for the grant.

### **Eligibility**

Faculty

### **Funding Availability**

\$250,000 per year - The minimum application partner contribution (including eligible in-kind contributions) must be at least a 1:1 ratio to the amount requested from CIHR

### **Indirect Costs**

0%

### **Project Duration**

up to 5 years

### **Special Notes**

The relationship between the investigators and the application partner must be established and the required level of partner contribution secured from an eligible company at the time the application is submitted

## Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
