Program

Trailblazer Award

Description

The 1907 Trailblazer Award was established to encourage high-impact, step-change approaches to research in the brain and mind sciences for mental health. In addition to supporting a specific research project, the Award intends to increase the size of the talent pool of early career investigators researching causes & cures for mental illness. We promote these aims by providing a US\$100,000 research gift on an unrestricted basis, a US\$20,000 prize to enhance the economic security of the scientist, and travel & expense coverage for attendance at two annual meetings. Each winner will be invited to two annual meetings to present interim findings (year 1) and final findings (year 2), where they can form scientific relationships with other Award winners, our Advisory Board Directors and Research Directors. We aim to build community and provide value to the scientist in excess of the monetary element.

Each year, 1907 Research provides the 1907 Trailblazer Award to early career MDs and PhDs. The award is \$120,000, comprised of the following:

- \$100,000 Unrestricted Gift for research & administrative costs
- \$20,000 Prize directly payable to the award recipient (50% after year 1, 50% after year 2)
- Annual Meeting travel & expenses for two years

The award is **Public** to all Research Institutions (universities and hospitals) in the US, UK and Canada. Each Research Institution nominates two candidates and the Advisory Board selects three Fellows from this candidate pool through a software-enabled selection process. The Fellows convene each year with our Advisory Board to collaborate in pushing knowledge of the collective for the benefit of the individual.

Institutions are required to select the **two** most appropriate applications for submission to 1907 Research, decided via internal competition.

Program details and timeline are not yet confirmed. This information will be updated when the program launches

Eligibility

A nominee must:

- be within ten years of the date when PhD/MD degree was awarded (with exceptions for career breaks including maternity and paternity leave)
- be currently employed by a university or public research institute in the UK, the US, or Canada, with full-time employment guaranteed for the duration of the project (tenure or tenure-track and international equivalents). Applicants must already work in a supervisory role (PhD, MD, Postdoctoral supervisor primary or secondary)
- have demonstrated independence from senior colleagues. They must be able to initiate and direct their own research as principal investigator, have full responsibility for running their labs and full control of their research funds. Postdoctoral fellows or adjunct faculty are not eligible to apply
- have a strong track record of scientific publications relevant to their research program
- not have research applications identical to any other currently funded projects, although they can be related
- be in an eligible discipline such as; neuroscience, neurology, psychology, psychiatry, cognitive neuroscience, clinical psychology, computational neuroscience, neuroimaging, genetics and engineering (including novel technologies and devices)

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [1].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Monday, January 18, 2021 - 11:59pm	If you wish to be considered for VPR nomination, please submit your Expression of Interest (see How to Apply) to research.honours@uoguelph.ca [2]

1907 Trailblazer Award 2021

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

Type	Date	Notes
External Deadline	Wednesday, June 30, 2021 - 4:00pm	External Deadline: June 30, 2021 If your nomination will be submitted by a nominator other than the VPR, please submit directly to the sponsor by the external deadline. Please also submit a copy of the full nomination and OR-5 to research.services@uoguelph.ca [3].

How to Apply

The Vice-President (Research) encourages nominations for this prestigious award, and will serve as nominator for those nominees recommended by the Research Honours and Awards Advisory Committee. If you wish to nominate a colleague or to be considered for VPR nomination, please submit an Expression of Interest (EOI) to research.honours@uoguelph.ca [2] by the internal deadline.

An Expression of Interest will include:

- A draft letter (two-three pages) addressed to the VPR, signed by your ADR, which outlines how you/your nominee meets the criteria outlined on the [1907 Research Award Website](#) [4], emphasizing identification of disruptive ideas in alignment with 1907 Research's [values](#) [5].
- An up-to-date CV for nominee (and each member of the team, if applicable)

As this is an international prize, the University may engage the [Global Excellence Initiative](#) [6] to coordinate external review of nominations.

If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit a complete nomination and OR-5 to research.services@uoguelph.ca [3] by the external deadline.

For More Information

For more information, contact research.honours@uoguelph.ca [2] or see the [1907 Research Award Website](#) [4].
