## Description

The Highway Infrastructure Innovation Funding Program (HIIFP) provides funding to Ontario universities and colleges to encourage applied research in topics related to transportation infrastructure in Ontario. This program solicits research proposals from institutions to assist the Ministry in meeting current and future challenges, and to encourage undergraduate and graduate research in transportation and infrastructure related engineering. The HIIFP challenges Ontario's academic community to contribute to transportation infrastructure solutions in a number of areas including traffic operations, intelligent transportation systems, engineering materials, investment planning, highway design, environmental, geomatics, bridges, construction and maintenance.

## Indirect Costs

25%

## Special Notes

Two important amendments are hereby made to the 2017-18 HIIFP Program Guide:

1. The due date for submissions is amended from March 17 to March 24, 2017, at 2:30 pm.
2. Submissions will be accepted either in the format stated in the Guide (hard copy plus CD or USB) or alternatively, as attachments to an email in lieu of hard copy and CD or USB. Details for email submission are provided below.
  - The subject line of the email must state: HIIFP submission Topic # (or Open Topic).
  - Files attached to the email must be named as follows: Topic 2017-xx Principal Investigator Name.
    - Example: Topic 2017-31 Smith.pdf or Topic 2017-31 Smith.doc.
  - If separate files are used for different documents, the document name should be included in the file name.
    - Example: Topic 2017-31 Perchanok Attach B.pdf.
    - The maximum file size for incoming email is 10Mb. If it is necessary to split a document into more than one file, or to send more than one email, add Part 1, Part 2, etc. to the file name or the subject line.

A notification of receipt will be provided but the Ministry will not accept responsibility for email or hardcopy submissions that are not received by the deadline, whether through fault of our system or otherwise. You are strongly encouraged to send your submission ahead of the deadline to ensure that it is received.

Hard copy submissions should be sent to the attention of:

Max Perchanok,  
c/o Division Services Office  
Provincial Highways Management Division  
Ministry of Transportation  
301 St. Paul Street, 4<sup>th</sup> floor  
St. Catharines, ON L2R 7R4

Email submissions should be sent to: [max.perchanok@ontario.ca](mailto:max.perchanok@ontario.ca) [2].

Please include the Topic Number in the subject line of any ongoing email correspondence concerning HIIFP projects.

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

---

Type	Date
<b>Internal Deadline</b>	Friday, March 17, 2017 - 8:30am
<b>External Deadline</b>	Friday, March 24, 2017 - 2:30pm

### How to Apply

Submit your proposal and signed OR5 form to the Office of Research email address before the internal deadline. Email: [resserv@uoguelph.ca](mailto:resserv@uoguelph.ca). Your proposal will be reviewed and signed and a fully executed copy will be emailed back to you before the external deadline.
