

AI and Data Science

Sponsor

Southern Ontario Smart Computing Innovation Platform (SOSCIP)

Description

SOSCIP is accepting applications for all projects related to AI and Data Science. Get in touch with their Partnerships Team (apply@soscip.org [1]) and they will help you determine your computing requirements and work with you one-on-one to access potential partners, HQP, and funding opportunities (if applicable).

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].
