

Autism and Military Burn Research Programs

Sponsor

U.S. Department of Defense

Program

Congressionally Directed Medical Research Programs (CDMRP)

Description

Although the U.S. Fiscal Year 2021 (FY21) Defense Appropriations Bill has been signed into law, the FY21 appropriations are contingent upon the outcome of a pending rescissions request. CDMRP is providing information to allow investigators time to plan and develop ideas for submission to the anticipated FY21 funding opportunities.

The following FY21 funding opportunities are anticipated:

Autism Research Program

- Idea Development Award
- Clinical Translational Research Award
- Clinical Trial Award
- New in FY21! Career Development Award

Military Burn Research Program

- Idea Development Award
- Clinical Translational Research Award

Descriptions of each of the anticipated funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcements. FY21 pre-

Autism and Military Burn Research Programs

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

announcements can be found in the [CDMRP home page](#) [1]. Subsequent notifications will be sent when the program announcements/funding opportunities are released.
