

Brown Bag Lunch on Research Security - Strengthening Research Security with Research Data Management Best Practices

Updated Information
New month's session!

Date	Location	Notes
Thursday November 7, 2024 12:00pm to 1:00pm	Virtual/Online via Microsoft Teams	Monthly Teams Meeting Link [1]

Description

Learn about research security and why it matters, how it can benefit both researchers and their work, and Research Data Management (RDM) best practices to implement research security. This brown bag features Amy Allison, Research Security Specialist from the U of G Research Services Office and Lucia Costanzo, R & S Librarian.

Research Security Brown Bag Lunches are held on the first Thursday of the month.

Please email Amy Allison at research.security@uoguelph.ca [2] if you would like to connect but are unable to attend the meeting or access the link.
