Description

The Science Cluster Program was introduced in Agriculture and Agri-Food Canada's (AAFC) Growing Forward Agricultural Policy Framework and continued in Growing Forward II. AAFC has not confirmed that the Science Cluster Program will be renewed for the Agricultural Policy Framework presently being discussed between AAFC and its provincial government counterparts; however, CPRC expects that there will be a program similar to the Science Clusters in the next agreement due to take effect April 1, 2018.

How to Apply

The submission of a Letter of Intent (LOI) is the first step of the application process. If your LOI is approved, you will be invited to submit a full application.

1. Letter of interest

- LOIs must be submitted in Word format to info@cp-rc.ca [4] by **July 7, 2017 @ 5:00pm EST**
- Researchers are not required to submit their LOI to the Office of Research for approval before submission to the sponsor. Researchers are asked to send a copy of their proposal to the Office of Research for information purposes only (no OR-5 required at the LOI stage).
- Researchers will be notified by the sponsor if they have been invited to submit a full application.

2. Full application

Only successful applicants will be invited to submit a full funding application for consideration. Those invited to submit a full funding application must submit their full proposal to the Office of Research two weeks in advance of the sponsor's deadline, along with a signed OR-5.

Information For Co-applicants

If you are part of an application or team that has been invited to submit a full proposal but are not the lead, please contact the Office of Research as soon as possible.
