Description

The College of Optometrists of Ontario is pleased to announce the continuation of its Regulatory Research Award (RRA). The award for 2025 is focused on understanding and enhancing health profession regulation.

In line with this theme, the College is happy to consider work that focuses on health profession regulation. Examples of specific areas include (but are not limited to):

- Right-touch regulation
- Regulatory modernization
- Engagement with professionals and the public
- Other areas related to understanding and enhancing health profession regulation

Maximum Project Value

The maximum budget is \$40,000.

Indirect Costs

0%

Deadlines

Call for Proposals for Regulatory Research Award: Understanding and Enhancing Health
