

## **Canada Foundation for Innovation: Innovation Fund Co-applicants 2022**

### **Sponsor**

Canada Foundation for Innovation (CFI)

### **Program**

Innovation Fund

### **Description**

CFI Innovation Fund (for co-applicants)

CFI seeks to support promising and innovative research or technology development in areas where Canada currently is, or has the potential to be, competitive on the global stage. The University of Guelph will consider providing allocation to applications led by other universities. If you are co-applicant on a CFI proposal led by another University, please submit an Expression of Interest as detailed in the **How to Apply** section below.

### **Special Notes**

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [1].

### **Deadlines**

**If College-level review is required, your College will communicate its earlier internal deadlines.**
