CCAC Publishes New Guidelines on Zebrafish

University of Guelph researchers and staff members are encouraged to review and comment on Canadian Council on Animal Care draft [CCAC guidelines: Zebrafish and other common small warm-water laboratory fish](#) [1].

Help advance high standards for animal ethics and care in Canadian science by participating in the guidelines development process and providing your feedback.

Please forward your comments to [Ms. Jumoke Fasoyinu](#) [2], Standards Coordinator and Copy Editor, CCAC by **Thursday, October 3, 2019**.
