## **CIHR: Public engagement on new strategic plan 2019**

### **Sponsor**

Canadian Institutes of Health Research (CIHR)

### **Description**

CIHR is developing a new strategic plan.

As a federally funded agency, the [Canadian Institutes of Health Research](#) [1] (CIHR) believes strongly in the importance of engaging Canadians. As such, they have requested participation in guiding their discussions and decision-making process.

**Join the national conversation by visiting** [www.letstalk-cihr.ca](http://www.letstalk-cihr.ca) [2]. There are options to engage through survey, discussion forum, or "ask a question" format.
