

CIHR Trailblazer Award for Excellence in Population and Public Health Research

Sponsor

CIHR Institute of Population and Public Health

Description

The CIHR-IPPH Trailblazer Award in Population and Public Health Research is a career achievement award that recognizes exceptional contributions in the area of population and public health research. Recently, CIHR-IPPH launched their [call for nominations](#) for the third annual Trailblazers Awards. These awards recognize Canadian researchers at different career stages who have created a highly influential body of work that has had a substantial impact on the field of population and public health through leadership, innovation, and impact on policy and practice.

Eligibility

The Nominated Principal Applicant must be:

1. An [independent researcher](#).
2. Be affiliated with an eligible institution (See [Institutional Eligibility Requirements](#) for eligibility process and associated timelines).
3. Hold their primary academic appointment at a Canadian institution.

Additional and separate criteria within each of the three award categories can be found on the [CIHR site](#).

Prize

There are three prizes available valued at \$12,500 each (up to a maximum of \$10,000 plus \$2,500 for travel and accommodation expenses to a CIHR organized event), as follows:

- \$12,500 is available to fund up to one early career population and public health researcher;
- \$12,500 is available to fund up to one mid-career population and public health researcher; and

CIHR Trailblazer Award for Excellence in Population and Public Health Research

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

- \$12,500 is available to fund up to one senior career population and public health researcher.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date
External Deadline	Tuesday, January 2, 2018 - 4:30pm
