Description

Commonwealth Rutherford Fellowships are for highly skilled researchers from other Commonwealth countries to spend one or two years at an eligible UK university or higher education institution conducting postdoctoral research.

These fellowships are funded by the [UK Department for Business, Energy and Industrial Strategy \(BEIS\)](#) [3] through the Rutherford Fund, with the aim of attracting global talent and supporting the UK's research base. Up to 50 fellowships are available.

Purpose: To support world-class research and innovation, and to contribute to the UK's research base by attracting high-calibre international candidates and encouraging links and collaboration

Intended beneficiaries: Highly skilled and highly motivated PhD graduates whose proposed research topic is innovative, timely, and likely to lead to wider impact beyond the academic community and build research collaboration between the UK and other Commonwealth countries

Eligibility

To apply for these fellowships, you must:

- Be a citizen of or have been granted refugee status by a Commonwealth country other than the United Kingdom, or be a British Protected Person
- Be permanently resident in a Commonwealth country other than the UK, and not based in the UK at the time of application
