
Crohn's and Colitis Canada 2019 Grants-in-Aid of Research (GIA)

Sponsor

Crohn's and Colitis Canada

For More Information

[Crohn's and Colitis Canada](#) [1].

Description

The Grants-in-Aid of Research (GIA) program supports research on inflammatory bowel disease (IBD). This research program helps advance prevention, treatments, health policy and, ultimately find cures. Grants support research projects with a defined objective, conducted by an investigator working alone or in collaboration with others.

Eligibility

Investigators who hold an academic appointment at a Canadian University in a Faculty of Medicine, Nursing, Pharmacy, Veterinary Medicine or other Graduate Faculty.

The research proposed must have a clear connection to Crohn's and Colitis Canada's Promise Statement.

Maximum Project Value

Maximum of \$125,000 per year

Indirect Costs

0%

Project Duration

3 years beginning in July 2019

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
