

## **Crohn's and Colitis Canada Grants-in-Aid of Research 2020 Competition**

### **Sponsor**

Crohn's and Colitis Canada

### **For More Information**

For additional information, please visit the [program's websites](#) [1] for

- Program guidelines
- Application forms
- Evaluation criteria

### **Description**

The Crohn's and Colitis Canada Grants-in-Aid of Research program supports research on inflammatory bowel disease (IBD). This research program helps advance prevention, treatments, health policy and, ultimately find cures. Grants support research projects with a defined objective, conducted by an investigator working alone or in collaboration with others.

### **Eligibility**

Investigators who hold an academic appointment at a Canadian University in a Faculty of Medicine, Nursing, Pharmacy, Veterinary Medicine, or other Graduate Faculty are eligible to apply to Crohn's and Colitis Canada as principal investigator for grant support of their research.

Principal Investigators must reside in Canada to apply for funding. Co-Principal Investigators based outside of Canada are acceptable.

### **Maximum Project Value**

\$125,000 per year

### **Indirect Costs**

0%

## Project Duration

3 years

## Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

---

If you need to meet a deadline set by the lead institution for this opportunity, please ensure that you provide the Office of Research with at least five days in advance of the lead institution's deadline to review the application, or your proposed component of the project. Please be in touch with the Office of Research (contact information below) ahead of the deadline if it looks like it will be difficult for you to submit all the required documentation on time (i.e. budget, proposal, OR-5 Form).

For Questions, please contact  
Research Grants Administrator  
Telephone: (416) 920-5035 ext. 252  
Email: [research@crohnsandcolitis.ca](mailto:research@crohnsandcolitis.ca) [6].
