

CSAHS Research Week: November 5-8, 2024

Description

You are invited to the first-ever CSAHS Research Week: an event designed to inspire collaboration and highlight groundbreaking research across disciplines within the College of Social and Applied Human Sciences.

The week will feature themed research talks by CSAHS faculty from each of our five departments. We'll round out the week with poster presentations from our graduate students.

Join us **November 5-8** for research talks each day from **12:00 PM - 1:30 PM!**
