
Cystic Fibrosis - Basic Science Research Grant

Sponsor

Cystic Fibrosis Canada

Description

To support innovative basic science research projects that (i) improve our understanding of CF and/or (ii) have a significant impact on the concepts, methods, treatments, and/or technologies applicable to CF.

Eligibility

An independent researcher who holds a full-time academic or research appointment relevant to CF at a Canadian university or hospital.

Maximum Project Value

The amount of a grant will be approved by the Board of Directors with recommendations from the scientific review panel and Research Advisory Council, following a detailed review of the applicant's proposed budget.

Indirect Costs

0%

Project Duration

3 years

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Monday, September 25, 2017 -	

Cystic Fibrosis - Basic Science Research Grant

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

Type	Date	Notes
	4:30pm	Applicant to submit a copy of application along with a complete OR5 form to: research.services@uoguelph.ca
External Deadline	Monday, October 2, 2017 - 11:59pm	Applicant must submit directly to sponsor. Submission of applications is to be done through proposalCENTRAL. [1] For more information about this grant and how to apply visit the CFC website [2].

Information For Co-applicants

If you need to meet a deadline set by the lead institution for this opportunity, please ensure that you provide the Office of Research with at least 5 days in advance of the lead institution's deadline to review the application, or your proposed component of the project. Please be in touch with the Office of Research (contact information below) ahead of the deadline if it looks like it will be difficult for you to submit all the required documentation on time (i.e. budget, proposal, OR-5 Form).
