

DAAD - German Academic Exchange Service: Information Session

Date	Location	Notes
Wednesday March 10, 2021 12:00pm to 1:00pm	Virtual Information Session	Register Now

Description

[DAAD - German Academic Exchange Service](#) will present an online information session on funding opportunities for research in Germany for faculty and postdocs.

Research in Germany: Funding For Faculty and Postdocs will give details on grants supporting research in Germany and / or with German partners as well as an overview of the German research landscape, its structures and major players along with relevant policy initiatives.

This session will be led by John Paul Kleiner, Senior Manager, University Relations at DAAD Information Point Toronto and Amra Dumisic, Senior Program Officer at DAAD Regional Office New York.
