# **Douglas R. Colton Medal for Research Excellence**

### **Sponsor**

Canada's National Design Network® (NDN).

### **Description**

Douglas R. Colton Medal recognizes excellence in:

- research leading to new understanding and novel developments in one or more microsystems or nanotechnologies including photonics/optoelectronics, microelectromechanical systems (MEMS), nanoelectronics, microelectronics, microfluidics, nano-materials, and embedded software; and/or
- the application of microsystems and/or nanotechnology in Canada

### **Eligibility**

Candidates for the award may be faculty, students or alumnae who have successfully completed a Master's or PhD degree in a Canadian university within the previous three calendar years.

### **Prize**

The medal and a cash award of \$4,500

## **Special Notes**

The University may submit one nomination per year. Therefore, this nomination will be adjudicated first at the College level, and second at the University level.

### **Deadlines**

If College-level review is required, your College will communicate its earlier internal deadlines.

Type Date Notes

Internal Deadline Friday, August 11, 2017 -

4:30pm Submit nomination information
