

Environment and Climate Change Canada - Climate Action Fund - Call for Proposals

Sponsor

Environment and Climate Change Canada (ECCC)

Program

Review the applicant guide for information and requirements to apply for project funding through the [Climate Action Fund](#) [1].

Description

The Climate Action Fund will provide up to \$3 million in funding to increase action and awareness on climate change and climate change initiatives driven by, or in support of students, youth, Indigenous peoples and organizations, research, academic, and educational institutions, and small and medium-sized enterprises. Successful proposals can receive a maximum of \$200,000 - \$500,000.

Eligible projects will support:

- ?Education, training, and tools
- Outreach and promotion
- Networking and partnering

Eligibility

- Full-time Canadian students including undergraduate, graduate, or post-doctoral students registered at a Canadian college or university
- Canadian youth between the ages of 15 and 30 (inclusive)
- Research, academic and educational institutions
- Indigenous peoples and organizations
- Canadian small and medium-sized businesses with less than 500 employees
- Canadian not-for-profit organizations such as non-governmental organizations, professional space, industry, community, and student/youth club associations
- Industry and/or trade associations

Funding Availability

Successful proposals can receive a maximum of:

- \$500,000: all eligible recipients (except for-profit entities)
- \$200,000: for-profit entities

Indirect Costs

TBD - contact Kristin Gibson (kristin5@uoguelph.ca [2]) prior to submission to the Office of Research Services (research.services@uoguelph.ca [3]).

Project Duration

Projects must start in the current fiscal year and the project duration cannot exceed two fiscal years. A fiscal year is defined as the period from April 1 to March 31.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Friday, September 14, 2018 - 12:00pm	Please submit a PDF version of the application, along with an OR-5 Form to research.services@uoguelph.ca [3].
External Deadline	Friday, September 21, 2018 - 12:00pm	Applicants will submit their application form by email to ECCC.

For Questions, please contact

Applicants may contact Environment and Climate Change Canada by email (ec.facsoumissions-cafsubmissions.ec@canada.ca [4]) if they require clarification or information on any elements of the program or application process. Applicants may also refer to the "[Frequently Asked Questions](#) [5]" section on the Climate Action Fund webpage for additional information.
