

Faculty Information Exchange Series 2021-22: Enhancing the competitiveness of research grants - natural sciences and engineering

Date

Wednesday September 29, 2021 12:00pm to 1:00pm

Notes

No reservation necessary, all welcome!

Go to the [FIES page](#) [1] to access the Webinar link.

NOTE: Participants will join a waiting lobby when entering the Microsoft Teams session.

If you are experiencing issues joining the meeting, please contact aburke05@uoguelph.ca [2].

Description

Led by:

- **Dr. Dorothee Bienze**, Professor, Department of Pathobiology
- **Dr. Eric Poisson**, Professor, Department of Physics

Successful grant recipients will present general strategies for writing research grant applications, including identifying and addressing the relevant "audience", minimizing risks, framing the application, balancing detailed and general information, presentation style, the importance of peer review and more. This is an opportunity to have general grant writing questions discussed.
