Description

Led by

- **Dr. Beverly Hale**, Professor and Associate VP Research (Agri-Food Partnership)
- **Dr. Elena Choleris**, Professor, Department of Psychology
- **Dr. Ben DeVries**, Assistant Professor, Department of Geography, Environment & Geomatics

Successful grant recipients will present general strategies for writing research grant applications, including identifying and addressing the relevant "audience", minimizing risks, framing the application, balancing detailed and general information, presentation style, the importance of peer review and more. This is an opportunity to have general grant writing questions discussed.

Faculty, staff and trainees are welcome!
