## Description

Led by:

- **Amanda Sawlor**, Director, Research Financial Services

Research Financial Services will provide an overview of the Financial Reporting System (FRS), including some tips and suggestions about the My Grants Tracker tool, as well as highlight some of the resources available through Research Financial Services. The presentation will be structured in a way to allow for plenty of question-and-answer time.

Some highlights of the session will include system access and navigation, selecting the best system options to view grants, reports most valuable to researchers, and FRS contacts.
