Internal Deadline

See applicable funding opportunity for external deadline dates and times.

Internal deadline is two weeks before the pre-application deadline and two weeks before the full application deadline.

How to Apply

If you are interested in applying for one of these opportunities **please contact Angela Vuk ASAP** for assistance with completing required forms and obtaining institutional certifications and signatures, etc.

A pre-application is required and must be submitted through the electronic Biomedical Research Application Portal ([eBRAP](#) [7]) prior to the pre-application deadline. All applications must conform to the final Funding Opportunities/Program Announcements and [General Application Instructions](#) [8] which can be found on the Grants.gov [website](#) [5] A listing of all CDMRP and other USAMRDC extramural funding opportunities can be obtained on the Grants.gov website by performing a basic search using CFDA Number 12.420.

Please review the specific funding opportunity including program funding available, deadline dates and times, timelines, project duration, etc.

For Questions, please contact

For more information on types of funding opportunities offered and application strategies review the CDMRP [Webinar Series](#) [2].
