
France Canada Research Fund: New Collaborations Program 2018

Updated Information

- Updated internal deadline: from November 3 to November 10, 2017
- Updated external deadline: from November 10 to November 17, 2017
- External deadline notes: Updated FCRF correspondent - University of Guelph

Sponsor

France-Canada Research Fund (FCRF)

Description

This program provides financing for new scientific projects jointly developed by French and Canadian teams that have never worked together before.

The New Scientific Collaboration Support Program, financed by the France-Canada Research Fund (FCRF), aims to accomplish the following objectives:

- Support developing new expert partnerships between France and Canada,
- Promote the advancement of research and innovation,
- Prepare and structure scientific cooperation between the two countries,
- Promote researcher mobility, particularly for young researchers, and
- Provide research training for young researchers.

Eligibility

Criteria of eligibility:

- The research projects of the selected applicant must be part of a 2018 Franco-Canadian research project preselected by the FCRF's Canadian member universities.
- The selected applicant must hold Canadian citizenship.
- The applicant's research projects must make positive contributions to the vitality of scientific cooperation between France and Canada.

Funding Availability

\$8,000 to \$15,000, according to the needs expressed by the principal investigators.

Maximum Project Value

FCRF will fund 5 projects related to Low-Carbon among all projects selected.

Project Duration

two year project

Special Notes

2018 FOCUS on research related to « Low-Carbon ».

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Friday, November 10, 2017 - 4:30pm	Applicant to submit a copy of application along with a complete OR5 form to: research.services@uoguelph.ca [1]
External Deadline	Friday, November 17, 2017 - 4:30pm	All applications must be submitted electronically to the FCRF correspondent at the Canadian University involved in the project and to the Embassy of France's Scientific Office. Attention: Armelle Chataigner: assistant.science@ambafrance-ca.org [2] and a copy to: Ornella McCarron, (FCRF correspondent - University of Guelph) Note: File names –a SINGLE PDF- must begin with the surname of the lead French researcher, followed by the surname of the lead Canadian researcher (ex: name_name.pdf).
