Free online courses through CITI program

Date	Location	Notes
Tuesday January 3, 2023	Online	Courses can be started at any time.

Description

The University of Guelph offers access to the Collaborative Institutional Training Initiative (CITI), an online education program.

Select CITI Canada courses are available free of charge to all members of the University community with a valid University of Guelph email account, including faculty, students and staff. Course completion is documented by a completion certificate.

Courses are offered in the areas of Responsible Conduct of Research, Human Subjects Research, Drugs for Clinical Trials Involving Human Subjects, Good Clinical Practice, Transportation of Dangerous Goods and Privacy.

Visit the [Office of Research CITI Program Courses](#) [1] page for more information and login instructions.
