Canada Scholar Awards

Description

Fulbright Canada Awards is offering two awards:

[The Traditional Fulbright awards](#) are open to Canadian scholars in all fields and are designed to enable emerging and established scholars, post-doctoral researchers and experienced professionals to conduct research, teach or undertake a combination of both activities for one semester or a full academic year at any university or research center of their choice in the United States.

[The Fulbright Canada Research Chairs](#) are pre-arranged affiliations that allow scholars to conduct research/lecture on subjects important to that university. Partner universities are excited to welcome the Fulbright Visiting Chairs into campus life and encourage them to engage with students, faculty, and the broader community. Fulbright Visiting Research Chairs can guest lecture in university courses, mentor students, lecture in public venues, network and promote their research while representing the Fulbright program and their home and host institutions.
