

Funding Your Research in Germany - Information Session

Date	Location	Notes
Friday November 8, 2024 11:00am to 12:00pm	University Centre, Room 430	No registration required.

Description

Join [DAAD – German Academic Exchange Service](#) for an information session on the theme of “Funding Your Research in Germany”. Learn about the German research landscape, its structure and major players along with details on programs to fund your research work in Germany or in collaboration with German colleagues.

This session will be relevant to faculty, postdocs and doctoral students in all disciplines.

DAAD is Germany’s national agency supporting the internationalization of the country’s universities and the world’s largest provider of academic mobility funding.
