

GlycoNet Funding Programs

Sponsor

The Canadian Glycomics Network (GlycoNet)

For More Information

For full application information, please refer to GlycoNet's Request for Proposal Guidelines:

- [2024-2025 Translational Grant](#) [1]
- [2024-2025 Strategic Initiatives](#) [2]

Description

The Canadian Glycomics Network (GlycoNet) mobilizes Canada's glycomics expertise into transdisciplinary, focused research and development programs to deliver breakthrough solutions for human and animal health and sustainable agri-food systems.

GlycoNet funds projects along the following research innovation continuum: translational research and development, clinical engagement, technology development, and knowledge mobilization.

Priority Areas:

- Infectious Diseases;
- Immunology;
- Precision Medicine; and
- Animal Health and Sustainable Agri-Food Systems.

Funding Availability

\$150,000 for 1 year of funding

Indirect Costs

0% per the sponsor's [Project Eligible and Ineligible Costs Policy](#) [3]

GlycoNet Funding Programs

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

How to Apply

Applications to these programs are done on a rolling call and reviewed on a quarterly basis. Potential applicants must register by email to info@glyconet.ca [4] (cc: vsharko@glyconet.ca [5]).

Please submit OR-5 and application to Research Services Office at research.services@uoguelph.ca [6] one week in advance of your anticipated submission date to the sponsor.
