Description

In an effort to help prospective researchers properly complete their [2018 Research Proposals](#), Grain Farmers of Ontario will be hosting an Information Session to be held over videoconference, on Wednesday, October 4th at 1:30PM. This information session will provide helpful direction for how to properly fill out the proposal template and budget files to the level of quality expected from Grain Farmers of Ontario.

The Information Session will be led by Grain Farmers of Ontario staff, and will allow for an open question and answer period. Participation in the information session is voluntary, but encouraged.

Please note: the Information Session will be recorded, in order to share with those interested researchers who are unable to participate at the arranged time. For those unable to participate in the Information Session, the session will be shared upon request.

Should you have any questions about the 2018 Call for Research Proposals Information Session, please contact Natalie DiMeo, Research Coordinator, at 519-767-4138 or ndimeo@gfo.ca.
