
Gulf War Illness, Lung Cancer, and Peer Reviewed Medical Research Programs

Sponsor

United States Department of Defense (DOD)

Program

Congressionally Directed Medical Research Program (CDMRP).

Description

The following Fiscal Year 2021 program announcements have been released:

Gulf War Illness Research Program ([GWIRP](#)) [1]:

- Idea Award
- Research Advancement Award
- Clinical Evaluation Award
- Therapeutic/Biomarker Trial Award
- New Investigator Award

?

Lung Cancer Research Program ([LCRP](#)) [2]:

- Idea Development Award
- Investigator-Initiated Translational Research Award
- Clinical Translational Research Partnership Award

?

Peer Reviewed Medical Research Program ([PRMRP](#)) [3]:

- Clinical Trial Award

- Discovery Award
- Focused Program Award
- Investigator-Initiated Research Award
- Technology/Therapeutic Development Award

Detailed descriptions of funding opportunities, evaluation criteria, and submission requirements can be found in the specific Program Announcements. The Program Announcements are available electronically for downloading from the Grants.gov [website](#) [4], the CDMRP [website](#) [5], and the electronic Biomedical Research Application Portal ([eBRAP](#) [6]).

Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP [Webinar Series](#) [7].

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [8].

If you are considering applying, please contact [Angela Vuk](#) [9] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [10] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [11]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [12] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.
