Date	Location	Notes
Monday June 28, 2021 3:00am to 10:00am	On-line	This is for the Infrastructure programme only. Please consult the individual programme for specific dates and times. Note the times are in Central European Summer Time (CEST) and there is a six-hour time difference with Eastern Standard Time (EST).

### **Description**

Following the policy-related discussions during the [European Research and Innovation Days 2021](#) (June 23 and 24), the 10-day event of [Horizon Europe Info Days](#) will give prospective applicants and other stakeholders of EU research and innovation the opportunity to get information and ask questions about main funding instruments, processes of [Horizon Europe](#) and what is new. The Horizon Europe Info Days will be open for participation without prior registration (except for Cluster 3 - Civil Security for Society). The Horizon Europe Info days will address nine themes, each featuring a programme of exclusive discussions and hands-on sessions dedicated to a different cluster or part of the new programme.

Horizon Europe brokerage events, taking place after the related Infoday, provide a unique opportunity for applicants to meet and discuss their research, ideas and expertise with new partners, and to strengthen their international networks. For more information and to register for the related Infoday page consult the [Horizon Europe Info Days](#) page.
