## **IC-IMPACTS: Innovation in Housing Design and Construction for First Nations Communities - Call for Proposals**

### **Sponsor**

IC-IMPACTS (the India-Canada Centre for Innovative Multidisciplinary Partnerships to Accelerate Community Transformation and Sustainability)

### **Program**

Innovation in Design and Construction of Low-Cost, Resilient, Energy-Efficient, and Safe Housing for First Nation Communities

### **For More Information**

[IC-IMPACTS: Innovation in Design and Construction of Low-Cost, Resilient, Energy-Efficient, and Safe Housing for First Nation Communities](#) [1]

### **Description**

This call for proposals is dedicated to the design and construction of low-cost, resilient, energy efficient, and safe housing for First Nations communities.

Proposals may fall under one or more of the following broad themes:

1. Buildings: Human Comfort and Health
2. Climate Change and Adaptation
3. Energy and Water
4. Prototyping of an existing successful innovation in a First Nations community

Applicants must secure the participation of a First Nations community. The call will encourage prototyping using expertise especially by deploying research from earlier recipients of IC-IMPACTS funding in Canada and India. The First Nations Working Group will have a strong voice in the review process and the selection of proposals.

### **Eligibility**

**Eligibility for research funding:**

---

- All Canadian researchers eligible to receive funding from IC-IMPACTS and tri-council agencies in Canada are eligible to apply as Principal Investigators from Canada.
- Canadian researchers may apply with, or without, a Principal Investigator from India.

## Eligibility for prototype funding:

Eligible Canadian researcher can apply jointly with Indian and other international researchers, including with the recipients of previous IC-IMPACTS funding in India and Canada, subject to the condition that the prototype installation will be located in a First Nations community in Canada. The installation may draw expertise from around the world, especially previous recipients of IC-IMPACTS funding.

## Indirect Costs

0%

## Project Duration

Up to two years.

## Special Notes

**Webinar:** For more information, researchers are invited to join a webinar which IC-IMPACTS will host in October. If you wish to join the webinar, please register by emailing [viviang@ic-impacts.com](mailto:viviang@ic-impacts.com) [2]

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Type	Date	Notes
<b>Internal Deadline</b>	Monday, October 15, 2018 - 12:00pm	Please submit complete application package and OR5 to <a href="mailto:research.services@uoguelph.ca">research.services@uoguelph.ca</a> [3].
<b>External Deadline</b>	Monday, October 22, 2018 - 7:30pm	Complete application is submitted online by 4:30 pm PST. All documents and forms

Type	Date	Notes
		required are available on the IC-IMPACTS website under <a href="#">Section 3.8 Download Documents and Forms</a> [1].

For Questions, please contact Shapoor Marfatia, COO IC-IMPACTS Phone: 604.827.1522 | Email: [shapoor@ic-impacts.com](mailto:shapoor@ic-impacts.com) [4] **OR**
