

## Imperial Oil - University Research Awards Program

### Sponsor

Imperial Oil

### Program

University Research Awards

### For More Information

For further information and applications, please visit the [Imperial Oil](#) [1] website under the heading Innovation and Research/University Grants/University Research Awards, or go directly to [University Research Awards](#) [2].

### Description

University research awards are designed to encourage research at Canadian universities in areas of interest to Imperial Oil's petroleum, petrochemical and energy resource development businesses. These areas include the fields of engineering, environmental, earth, chemical, and physical sciences.

### Eligibility

Awards for specific research projects are made to full-time faculty members to support research work carried out by university students under their direction.

### Maximum Project Value

\$10,000 to \$25,000

### Indirect Costs

40%

## Project Duration

One year and may be renewed annually for a maximum tenure of three years

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Type	Date	Notes
<b>Internal Deadline</b>	Thursday, December 8, 2016 - 4:30pm	Please submit your application, along with an OR-5 Form, to <a href="mailto:research.services@uoguelph.ca">research.services@uoguelph.ca</a> [3].
<b>External Deadline</b>	Thursday, December 15, 2016 - 4:30pm	

## How to Apply

Application for a new award shall be made on the application form for University Research Awards. Although individual faculty members may take the initiative to apply, each application must be endorsed by the authorities of the participating university.
