
Important update on the CIHR Foundation Grant program: a message from the CIHR President

Sponsor

Canadian Institutes of Health Research

Description

Over the past three months I have heard concerns about the Foundation Grant program from all sections of the research community, including the researchers and institutional leaders I met during my tour of 10 universities, as well as from CIHR Scientific Directors, the Chairs of the College of Reviewers, University Delegates, and community leaders. Two themes were very consistent throughout these discussions. [Update on the Foundation Grant program](#) [1].
