

Influential Women in Canadian Agriculture 2023

Sponsor

Influential Women in Canadian Agriculture and Annex Business Media

Description

The program was created in 2020 in an effort to recognize the crucial and evolving role of women in agriculture, from farming to research, to community outreach, technology and more.

This year, the team will highlight six women from across various disciplines in agriculture and share their stories, achievements, challenges and wisdom through the brands: *Top Crop Manager*, *Potatoes in Canada*, *Canadian Poultry*, *Manure Manager* and *Fruit & Vegetable*. The entire program will culminate on Oct 19 with the IWCA Summit, a half-day, virtual event where the Influential Women in Canadian Agriculture will share advice and experience to their fellow women in agriculture. Nominees can also have any focus – whether it's on manure, soil, air quality, livestock or any other aspect of agriculture.

Program details and timeline are not yet confirmed. This information will be updated when the program launches.

Eligibility

This year, the team will highlight six women from across various disciplines in agriculture and share their stories, achievements, challenges and wisdom through the brands: *Top Crop Manager*, *Potatoes in Canada*, *Canadian Poultry*, *Manure Manager* and *Fruit & Vegetable*. Nominees must be women working in Canadian agriculture, they can be in academia, research, farming/producing, business development, events or anything else related to the overall health of the agriculture industry. **Self-Nominations are allowed.**

Prize

There will be a podcast series highlighting the honourees and a digital edition sharing the stories and content of women in the industry.

Deadlines

If College-level review is required, your College will communicate its earlier internal
