
Innovative Solutions to Homelessness - Contribution Project

Sponsor

Employment and Social Development Canada

Program

Applicants are invited to submit proposals for projects that develop innovative and effective best practices or innovatively build capacity to prevent or reduce homelessness in Canada. Successful applicants will receive funding between \$25,000 to a maximum of \$500,000 to create and/or evaluate concrete and potentially groundbreaking best practices that can be used to improve client outcomes.

Description

The Innovative Solutions to Homelessness funding stream is delivered nationally and supports development of innovative approaches to reducing homelessness. Funding can be used to support activities in three key areas: community based innovative projects to reduce homelessness and/or the cost of homelessness; building strategic partnerships with key stakeholders; and testing and/or sharing tools, social metrics, and research findings geared towards homelessness.
