

ISED's Horizon Europe Information Session - Cluster 5

Date	Notes
Thursday April 10, 2025 9:00am to 12:00pm	Register on Eventbrite using the following link: Horizon Europe Cluster Information Sessions: Cluster 5 Tickets

Description

The Horizon Europe Secretariat of Innovation, Science and Economic Development (ISED) Canada is pleased to share an invitation from the Delegation of the European Union to Canada to attend their upcoming virtual information session on Horizon Europe's Cluster 5 – Climate, Energy & Mobility.

This webinar will feature expert insights on proposal writing, the evaluation process and testimonials from successful participants.

Kindly note that this event will be conducted entirely in English. For recordings of their previous cluster-specific info sessions, check out the [Delegation of the European Union to Canada YouTube page](#).
