For More Information

For additional information, please visit the [program's website](#) [1]

Description

Grants are made to assist biomedical scientists of various departments and faculties in Ontario universities, hospitals and scientific institutions concerned with medical research. These grants may be distributed among medical research institutes and universities in Ontario.

Online applications may be submitted from any medically oriented university faculty. These may be within the health sciences department of a university, or any faculty of that university.

Eligibility

Faculty - New researchers seeking start up grants receive priority.

Projects must have scientific merit and be primarily medical in nature.

Funding Availability

5 to 7 applicants are chosen

Maximum Project Value

\$25,000 to \$80,000 range

Indirect Costs

0%

Project Duration

1 year

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Tuesday, October 15, 2019 - 11:59pm	<p>Letter of Intent: Only one application may be submitted by the University of Guelph. If required, applications will be adjudicated with input from the AVP Research Services and/or Research Services Council.</p> <p>Please submit your one page LOI (summary of your research project ie rationale, approach, the significance of your research etc.) to research.services@uoguelph.ca [2]</p>
