

# Leukemia and Lymphoma Society of Canada and Cancer Research Society: 2025 Operating Grant for Blood Cancer Research

## Sponsor

Leukemia and Lymphoma Society of Canada (LLSC) and the Cancer Research Society (CRS)

## For More Information

For additional information, please see the Operating Grant:

- Program [Guidelines & Instructions](#) [1]
- Program [Policies & Procedures](#) [2]

## Description

The Operating Grant is a two-year grant designed to provide funding to research that may ultimately lead to a significant change in the understanding, diagnosis, or treatment of blood cancer. The LLSC is pleased to continue our partnership with the Cancer Research Society (CRS) to co-fund five (5) Operating Grants in this funding cycle. The CRS is a national not-for-profit organization whose sole mission is to fund research on all types of cancer, thereby contributing to the advancement of science aimed at preventing, detecting, and treating the disease.

## Funding Availability

The Operating Grant will provide funding up to a maximum of \$100,000 per year for two years (up to a maximum total of \$200,000 for the two years).

## Indirect Costs

0% per guidelines

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Type	Date	Notes
------	------	-------

---
