Description

The Michigan Apple Committee (MAC) announces a call for research proposals for 2017/18. MAC has an industry mission to improve the profitability of apple growing through improving production information and techniques; developing new markets and new products; and identifying consumer trends and facts. MAC wishes to support innovative research that helps achieve this mission.

Maximum Project Value

Up to \$40,000

Indirect Costs

25%

Deadlines

If College-level review is required, your College will communicate its earlier internal
