### **Sponsor**

Charitable Trust

### **Program**

The Mihara Cerebrovascular Disorder Research Promotion Fund

### **Description**

In view of an urgent need in Japan to further promote basic and clinical studies on cerebrovascular disorders, the Fund provides research grants to researchers to financially assist them in conducting their studies, and thereby aims to contribute to the progress of medical sciences and human welfare.

### **Eligibility**

Projects eligible for funding:

- Basic or clinical studies relating to cerebrovascular disorders conducted by promising researchers
- Individual and specific research plans will be subsidized to support their implementation
- Applications are accepted on a recommendation basis only

Self-nomination is not allowed.

### **Prize**

One researcher will be awarded 10 million Yen (\$96K CAD).

### **Deadlines**

**If College-level review is required, your College will communicate its earlier internal deadlines.**
