Road Safety Research Partnership Program 2025-26

Description

The Ontario Ministry of Transportation (MTO) has announced the 2025 call for proposals for the Road Safety Research Partnership Program (RSRPP). The RSRPP funds researchers in Ontario's broader public sector and non-profit organizations to conduct cutting-edge road safety research in support of Ontario's efforts to protect our road users and drive safety innovation forward.

MTO is now accepting program submissions and invites you to apply using the attached [application form](#) [1]. Please see the attached [RSRPP Guidelines](#) [2] for more information about this funding opportunity, including program eligibility criteria, application instructions, program reporting requirements, and priority research topics.
