

Mitacs Globalink Orientation Webinar

Date	Location	Notes
Wednesday June 20, 2018 1:00pm to 2:30pm	Webinar	Please RSVP by June 15th [1] to confirm your attendance with Mitacs.

Description

Mitacs Globalink invites you to the upcoming Globalink Orientation Session webinar on Wednesday June 20, 2018 from 1 – 2:30 p.m. ET.

Unlike previous sessions, this webinar will be only an hour and a half, and will focus exclusively on changes to the programs and give time for discussion. The webinar will not cover an overview of our programs. Instead, an overview of all Globalink programs will be made available to you in a downloadable, self-directed video format ahead of the webinar.

The agenda will include updates and changes to Mitacs' inbound and outbound research mobility programs:

- Globalink Research Awards
- Globalink Research Internships
- Globalink Partnership Awards (changing to “Accelerate International”)
- Early Career Fellowship
- Partner-based initiatives

A more detailed agenda will be sent shortly before the session.

The webinar is offered in English, and French slides will be available. Participants are welcome to ask questions in both languages.

Please forward any topics or questions you want addressed at the session to helpdesk@mitacs.ca [2], and feel free to forward the invitation to any interested colleagues.
